AFTER SCHOOL CLUBS
PRESCHOOL 2020

Club's payment must be made before the 10th of each month, half of the monthly payment is paid during the months of January and December.

Trial lesson can be taken only during the months of January or February, the student can take this class if he/she had never assisted this club before. The trial lesson can be taken any other month if necessary, however this class must be paid.

MUSICAL CLUBS

DRUMS

Integrated teaching of drums and percussion, starting from basics, music reading, control and coordination exercises. The students learn different rhythms and musical genres.
Fernando Peña Porrás Preschool
Cost: 26 520

PIANO AND KEYBOARD

This club allows students to learn the basic techniques so they can develop the capacity to read musical notes and the coordination necessary to play the piano or keyboard.
Nadya Chaverri
Brown Squirrels & Red Ladybugs
Cost: 26 520

VIOLIN

Integrated teaching of violin, where students learn from basics to music reading, identification of musical notes and play songs.
Jonathan Salazar
Brown Squirrels & Red Ladybugs
Cost: 26 520

MUSICAL STIMULATION- NEW!

This club allows the discovering and development of expressive, musical, and psychomotor skills of the student. All this happens through a game of sounds and corporal expressions and movements; corporal, visual, and auditive sensitivity; and the contact with musical sources.
Jonathan Salazar
Preschool
Cost: 26 520

ARTISTIC CLUBS

SCULPTURE

This is a creative and relaxing space that combines theory and practice, so that students can learn abilities and techniques to make sculptures using different materials as clay, dough, cardboard, and mache paper.
Elisa Flores
Preschool
Cost: 19 890

SEWING AND CRAFTS

These are classes of basic sewing, clothes re-making, embroidery, crochet, macramé, bracelets and more. This will stimulate important motor skills in the students.
Rita Hidalgo
Red Ladybugs & Brown Squirrels
Cost: 19 890

ARTS & CRAFTS

Artistic expression club to develop the creativity and abilities to create and build using different materials. Students learn the basis of design to create individual and artistic projects, always thinking about the environment. They will make shoes, woven, luminaires, notepads, painting on clothes, bracelets and necklaces, and artistic installations.
Elisa Flores
Preschool
Cost: 19 890

CARICATURARTE - NEW!

This cartoon club is developed over the practice of different aspects of humor drawing, based on the theoretical topics of drawing. The learning process involves an active participation of the student and teacher.

Brown Squirrels & Red Ladybugs
Cost: 26 520
Materials are included

SPORT CLUBS

SOCCER

We promote the teaching and learning of soccer as we reinforce values such as team work, respect, and fellowship. We also improve physical and psychomotor skill in our students, while developing the basic techniques of this amazing sport.
Gerald Drummond
Gustavo Mora
Preschool
Cost: 22 035

GYMNASTICS

Entertaining club where students learn a way of artistic communication. It is a very beneficial activity for kids, which allows them to learn about their own bodies, helping them to discover their movement abilities, while directing their creative and energetic potential.
Carolina Mc Quiddy
Preschool
Cost: 22 035

CHESS

This a deep strategy game, that requires a lot of concentration and different skills that each player must develop. Many of the best chess players started to play at an early young age, for this reason we want to teach students all the necessary skills so they can compete and reach goals.
Francisco Hernández
Brown Squirrels & Red Ladybugs
Cost: 22 035

BALONCESTO

Students learn all the basics of this amazing sport, besides improving their motor skills. We care about teaching students all the values such as fellowship, trust, and respect.
Miguel Pantoja Murillo
Preschool
Costo: 22 035

ZUMBA KIDS JR.

These classes are real dancing parties, full of energy and choreographies prepared specially for kids. We mix choreographies with games and activities that are always new and different. This club helps kids to improve their bodily expressions, to gain flexibility, and strengthen their muscles and bones. It also develops team work, respect, confidence, and self-esteem.
Alexandra Pacheco
Brown Squirrels & Red Ladybugs
Cost: 19 890

KIDS YOGA

This class is a combination of yoga and mindfulness, where kids will learn new postures that will help them to strengthen their muscles and acquire flexibility, and they learn all this through games. Besides that, the kids will learn relaxation techniques and breathing exercises. Learning yoga can help kids to concentrate, deal with anxiety, it stimulates creativity and improves self-esteem.
Maria Fernanda Gamboa
Preschool
Cost: 22 035
Maximum quota: 15 students

PERSONAL DEVELOPMENT CLUBS

BUSINESS KIDS

This is an educational program that teaches entrepreneur skills through games so they can learn to reach their goals. It reinforces self-esteem, confidence, and it develops social skills to influence others in a positive way and promote their growing.
Business Kids
Francel Montero
Brown Squirrels & Red Ladybugs
Cost: 26 520
Minimum quota: 8 students

MINI VETS

It is a space where students learn about animal welfare in a positive and entertaining way, developing values and skills to form students as "Mini Vets". In classes we include a wide group of animals so that students can learn how these animals must live adequately, besides interacting with them which makes the classes a lot more fun.
Jose Fco. Madrigal
Preschool
Cost: 19 890
